WELCOME TO OUR BISTRO

For over 52 years, King Group Hospitality has perfected the art of food retail services. For us, it has always been quality over quantity, as our staff diligently works on providing the ultimate food experience to all our customers.

King Group Hospitality's first venture was in the year 1970 in India. CEO, Manjit Singh's love for food and a vision for creating a formidable food empire led to the success of King Group that we see today. The company set foot in Dubai in the year 2010 with the launch of its brand Kulcha King and since then has grown by leaps and bounds reaching 13 outlets in UAE with a staff strength of 350 by the year 2016. The brand Kulcha King was then sold in the year 2017 to Wakira Investments for AED 28 Million.

The Managing Director, Vicky. M. Sethi has taken the venture even forward with the formation of Amritsar Restaurant in the year 2018 in Thailand. In 5 years - 10 Restaurants under three brands: Amritsar, Punjab by Amritsar & China King. Which are located in UAE & Thailand with 4 locations in Dubai, 2 in Bangkok, 4 in Phuket & 1 in Pattaya with a strength of 450 dedicated employees!

Our diversification with our brand Punjab which is a Pure Veg delight showcasing the diverse culinary offerings we bring to this vibrant city which offers Indian sweets and street food in various malls, supermarkets, and hypermarkets.

Punjab is a multi-cuisine concept restaurant which caters to multiple taste buds along with introducing Indian sweets & live outdoor caterings and for all occasions in UAE.
